NOTE

24<sup>th</sup> October 2018

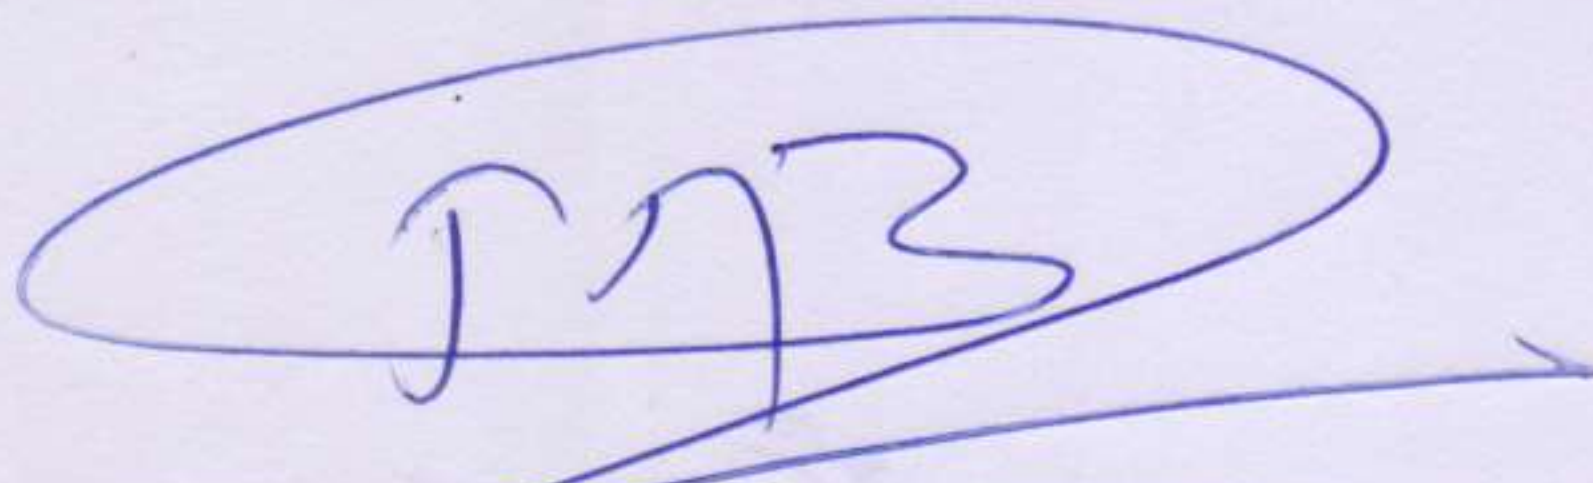

It has been brought to our notice that Pacers Students' Club is organizing a fresher's party on 26<sup>th</sup> October 2018.

We wish to state that Padre Conceicao College of Engineering is not associated with the Pacers Students' Club and the fresher's party does not have the approval of the college management. In fact, the college does not organize or encourage any such events.

Parents are kindly requested to discourage their children from participating in this event.

The college will not be responsible for any untoward incident.

This is for the information of all concerned.
