Dear Sir/Madam,

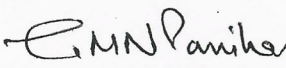

The Council at its 689th meeting held at Ahmedabad approved a new grade of membership- **Student Membership (SMIE)** - for undergraduate students pursuing B.E. (AICTE approved) or equivalent qualification, completion of which will make them eligible for Corporate Membership. This membership is meant for those students who are studying B.E. and not yet reached final semester or passed final examination.

You are requested to launch widespread campaign and publicity of this new membership grade and encourage undergraduate degree engineering students in your college to take up membership of this prestigious institution.

A copy of the membership form is enclosed.

Thanking you,

Yours Sincerely,
